

## **UNIVERSITY POLICY**

### **STUDENT LIFE POLICIES**

---

**Number: 702**  
**Subject: Residency Requirement Policy**  
**Covered Individuals: Fayette Campus Students**  
**Covered Locations: UIU Fayette Campus**  
**Effective Date: July 15, 2014**  
**Date of Latest Revision: November 10, 2021**

---

#### **PURPOSE**

This policy establishes residency requirements for Upper Iowa University (University or UIU) students attending the Fayette campus.

#### **DEFINITIONS**

Primary Residence – dwelling where a person usually lives; a person can have only one primary residence at any given time

Transfer Students – students with 24 or more semester hours of graded transferable college credit who have been admitted to the University based on their college credentials from all institutions

Military Serving – includes active duty, active duty for training, inactive duty training, and full-time National Guard duty

Residency – living on campus for a specified period of time while classes are in session

#### **POLICY**

All students are required to live in University residence halls. Students who meet at least one of the criteria below may seek a waiver of the residency requirement, through which they can request to live off campus.

The following criteria are accepted when seeking a waiver of the residency requirement and requesting to live off campus:

- Lives in primary residence within 45 miles of the Fayette campus for two years prior to enrollment; parents' or guardians' names must be included in the request
- Has completed at least 90 credits
- Is a transfer student to UIU and has completed at least 60 credits

- Married and/or has dependent children
- 22 years of age or older
- Military serving or (honorably discharged) Veteran

Waivers of the housing residency requirement are available via the Residency Requirement Waiver Form. Those seeking a waiver must do so 30 days prior to the start of Session 1 or Session 3. All requests to live off-campus are reviewed on a case-by-case basis. Requests in which at least one of the above criteria is not met are rarely granted.

Once a student is approved for a residency requirement waiver, it is for the remainder of their time at UIU, unless they decide to move back onto campus at some point after approval. If a student decides to live on campus, they will need to complete another waiver form for any future plans to live off campus.
